Dear Sir:

**[1] Request for Reconsideration**

Applicants request Reconsideration of the Final Office Action for the above-identified application that was mailed on September 16, 2005. The finality of the Office Action was improper because it included a new rejection that was neither necessitated by Applicants' amendment of the claims nor based on information submitted in an information disclosure statement filed during the period set forth in 37 C.F.R. §1.97(c). MPEP 706.07(a). Applicants request that the Final Office Action be withdrawn and replaced with a new non-final Office Action.

**[2] Analysis**

The Final Office Action mailed September 16, 2005 at pages 3-4 includes a provisional obviousness-type double patenting rejection over claims 36-96 of co-pending application serial no.
